## Message from Council

Dear Members,

Further to our initial communication sent out yesterday Scrabo Golf Club continues to monitor the Coronavirus (COVID-19) and the advice from the NHS NI and the UK Government.

The health and safety of our Club members, members of staff and visitors remains our highest priority and our determined to be proactive regarding precautions to limit the spread of Coronavirus.

Scrabo Golf Club remains OPEN to members and visitors but would encourage everyone to take the recommended precautions before, during and after visits to the Club:

- WASH your hands properly and often
- AVOID touching your eyes, nose or mouth with unwashed hands and avoid shaking hands.
- COVER your mouth and nose with a tissue or sleeve when coughing or sneezing and discard the used tissues.
- CLEAN and disinfect frequently touched objects and surfaces.

- STAY at home if you are sick and to stop the spread of whatever infection you have.

It is important that we all work together following the advice from the experts, in controlling the spread of COVID-19 infection.

Finally, we would encourage everyone to take all necessary precautions but continue to enjoy the facilities of the Club.

Golf is a great sport for people generally to get out and about, exercise and enjoy the fresh air, played in an outdoor setting where the risk of contracting COVID-19 is low.

For more health information and advice on this subject please refer to <https://www.nhs.uk/> . Please also keep up to date with the government's response to COVID-19 at <https://www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response>

#### **Update on Events taking place at Scrabo Golf Club.**

Last night Council met to review the current situation and guidance. Given the circumstances and taking into account actions being taken from other Sports Clubs we felt that members could be placed at risk during some of our upcoming events, including Captains Farewell, Mens and Ladies AGMs and the Mens Winter League Dinner. As a starting point Council have made the decision to postpone the Captains Farewell until further notice.
